

Field Notes

Name: _____

Date: _____

Where are you? _____

What are you looking at? _____

Record and label your observations

Notes

Field Notes

Name: Carolina

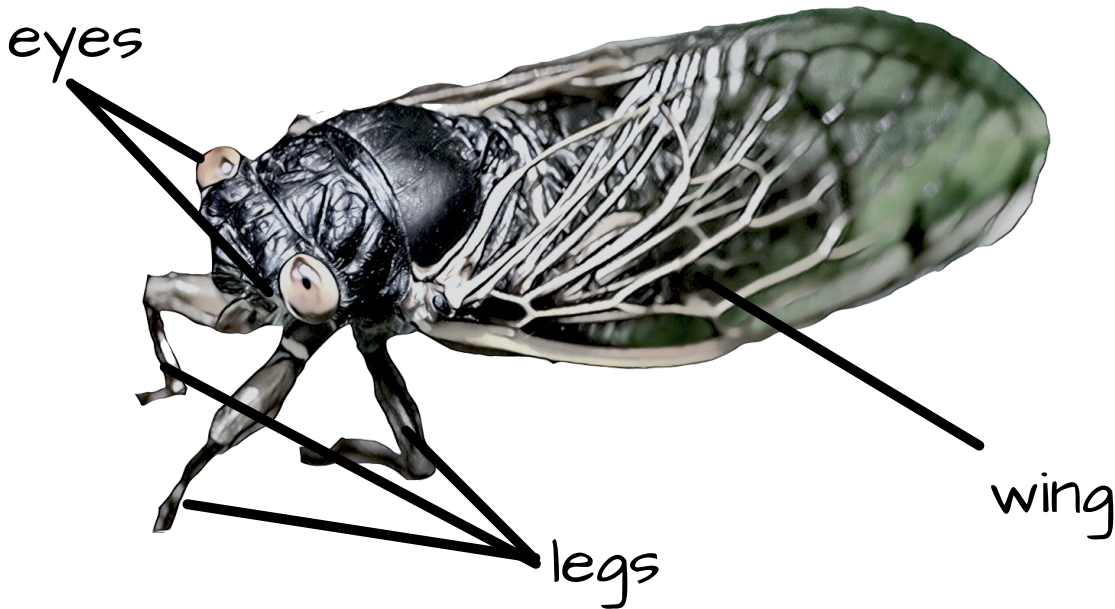

Date: 6/1/2021

Where are you? Rock Creek Park, Washington, DC

What are you looking at? Periodical cicadas, hundreds!!

Record and label your observations

Notes

I see very big red eyes.

I think cicadas may be able to see well.

I wonder why they are red, and if they can see well underground.
